

The Stewardship Committee met on Thursday, October 11, 2007. Present were Ted Ast, Karen Kreuter, Tammy Moore, Bonnie Slack and Pastor Paul.

- Discussion of the article *Stewardship is...* from Luther Seminary's Center for Stewardship Leadership began the meeting.
- Arrangements and other details were reviewed for the November 18 Mission and Ministry Fair.
- For the Stewardship Display we discussed using the following – Time and Talent Survey, quotes from members, pictures of benevolence activities. (These can be sent to Ted at his Xerox email for printing.) Our next meeting will be a time when we assemble our display.
- We discussed the synod's request to designate a Mission Interpreter. Members to approach for this were discussed. We thought that having two members serve in this capacity might be helpful. Pastor Paul will make an initial approach.
